Where the addition can be accommodated, an additional \$75 per week per person will be payable in advance. The home has a swimming pool and the owners or their agents cannot be held responsible for any loss or injury, however caused as a result of use of the pool. We strongly recommend that unsupervised children not be allowed to use the pool and that they not enter the home with wet costumes, as chlorine damages carpets and furnishings.

**MANAGEMENT AGENT:** Should you need any help or if you have any problem with the property during your stay, please contact our Property Manager. Their details will be posted clearly in the home. We reserve the right to enter the home or property if necessary during your stay, for example, to service the pool, carry out necessary maintenance.

**COMPLAINTS:** Should there be any cause for complaint whilst in Florida, the manager must be notified immediately. No complaints will be entertained 7 days after the guests return. We will not be responsible for any loss suffered in the event of the villa being left insecure when unoccupied, so please ensure adequate insurance cover before you travel.

**FORCE MAJEURE:** The applicants accept full responsibility for making travel arrangements to ensure their occupation of the property for the period reserved. No responsibility or liability is accepted in respect of loss or damage, or alteration to dates caused by e.g. flight delays or cancellations, weather conditions, industrial disputes, terrorist activity etc. We do not accept responsibility or liability for any accidents, injury, illness or damage to any person that is sustained during the rental period. In particular children must be supervised at all times within the pool and pool area. No diving or horseplay in the pool. No glass to be taken to the pool deck. In the very unlikely event of our being unable to carry out a booking, the owner will make every effort to obtain alternative accommodation or make a full refund of any monies paid. No further compensation will be paid.
